Life of the Party

Jake Owen

Swore I was gonna tell em the truth
That was til everybody started asking 'bout you
And I didn't know what to say
Came up with some lame excuse
Why you were gone
Said you were gonna come later on
Planted a smile on my face
Like everything was okayI was hanging around, walk in the crowd
Everybody singing along to my songs
Taking my shots, throwing them back
Acting like you ain't gone
But I don't want em to know I'm all alone
And I ain't got nobody
I don't want em to see I'm dying inside
So I guess I'll be the life
Life of the partyAnd then one of your friends
Came up and gave me a hug and asked me how we've been
I smiled and said we're better than we've ever been
Well I don't know why I had to lie
Guess I didn't wanna tell er that you said goodbye
I couldn't even look er in the eye
So I kept on...Hanging around, walk in the crowd
Everybody singing along to my songs
Taking my shots, throwing them back
Acting like you ain't gone
But I don't want em to know I'm all alone
And I ain't got nobody
I don't want em to see I'm dying inside
So I guess I'll be the life
Life of the partyEverybody thinkin I'm feelin good
Everybody thinkin I'm havin a real good time
Don't know the truth about you and ISo I'm hanging around, walk in the crowd
Everybody singing along to my songs
Taking my shots, throwing them back
Acting like you ain't gone
But I don't want em to know I'm all alone
And I ain't got nobody
I don't want em to see I'm dying inside
So I guess I'll be the life
