

I Wanna Feel the Chill

[Dot Allison](#)

I, I wanna hear the sound
I only dream of
And I, I wanna feel the chill
Of summer love Ohh, make it true
Ohh, makin' you
Ohh, make it true
Ohh, makin' you I, I wanna hear you your voice
Through the darkness
And but how, yeah how can I be sure?
When you constantly change Ohh, make it true
Ohh, makin' you
Ohh, make it true
Ohh, makin' you
