

# Mr. Doubleitup

## Ringo Starr

I've got two girls from coast to coast  
Don't know which one I love the most  
When we make love it's always nice  
Feels so good I have to do it twice but that's all right  
Two angels came and blew  
The horn the day I was born  
Mr. Doubleitup  
Mr. Doubleitup I know two heads are better than one  
Put them together and feel the fun  
Call me Doubleitup, Mr. Doubleitup  
(Mr. Doubleitup) I've got two cars, a Lincoln and a Caddie  
Two girls in the back calling me daddy  
(Mmm, daddy)  
Hitting the bars drinking two for one  
Double my pleasure, double my fun  
I ain't dumb, I'm a loaded gun  
I blow my nose like I blow  
My castle then there it goes  
Mr. Doubleitup, Mr. Doubleitup, ah, give it to me  
I know two heads are better than one  
Put them together and feel the fun  
Call me Doubleitup  
(Mr. Doubleitup)  
Mr. Doubleitup  
(Mr. Doubleitup) I said, "Yeah, yeah"  
(Yeah, yeah)  
I said, "No, no"  
(No, no)  
I said, "Go, go"  
(Go, go)  
I said, "Don't blow"  
Fell out of bed, got double vision  
If this is life it ain't worth living  
(It ain't worth living)  
I realize I ain't so tough  
I took too much I finally had enough  
I feel pretty rough  
(Pretty rough)  
Having too much, too much fun  
I'll settle for one  
Mr. Doubleitup, Mr. Doubleitup  
Well, I know two heads are better than one  
Put them together and feel the fun  
Call me Doubleitup  
(Mr. Doubleitup)

Mr. Doubleitup

(Mr. Doubleitup)

Oh, it's double

(Mr. Doubleitup)

Mmm, I'm in a double troubleMr. Doubleitup, Doubleitup

Mr. Doubleitup, Doubleitup

Got a couple of things I have to do
