

# Save The World

## Bon Jovi

I never went to college  
I don't have a degree  
Let's say I went to night school  
I learned all I know on the streets  
I wasn't born a rich man, no  
I ain't got no pedigree  
The sweat on this old collar  
That's my Ph.D. It comes down to this  
I wouldn't exist  
Without you it ain't worth the grind  
I'd fight for one kiss  
On a night like this  
You make me feel I could fly, la-la-la-like I could save the world  
Since the night your love saved me  
Maybe I can't save the world  
But as long as you believe  
Maybe I can save the world I got to confess  
Sometimes I'm a mess  
And sometimes I step out of line  
Like this old tattoo  
I ain't shiny or new  
With you by my side nothing matters I can save the world  
Since the night your love saved me Maybe I can't save the world  
But as long as you believe  
Maybe I can save the world They can say it's blind love  
But it's a fool who don't believe  
That I'd fly all the way to the moon  
Just to walk you down your street I can save the world  
Since the night your love saved me  
Maybe I can't save the world  
But as long as you believe  
Our love is even stronger  
Than God hoped it could be  
Baby, all it takes is  
Just a little faith in me  
To feel like  
I can save the world  
I can save The world  
Yea, yea, yea

Yea, yea, yea

Oh baby

Yea, yea, yea

Yea, yea, yea

Yea, yea, yea
