Bug

Boxed In

You are a bug
You are a bug inside me
You cut me wide
Cut me wide open you willYou are a bug
You are a bug inside me
You cut me wide
Cut me wide open you willYou are a bug
You are a bug inside me
You cut me wide
Cut me wide open you will
You are a bug
You are a bug inside me
You cut me wide
Cut me wide open you will seeYou are a flesh
You are the flesh wound in my side
A bit of death
But not enough to end my lifeA little cell
You diggin' deeper down below
To ring my bell
To call the othersCrawling up into the bed
A little spider
Spinning out his web
He wraps you, uncomfortable within
And then attacks you
It's lovely, it's a sin
Moving in between the sheets
I am a snakeskin
Skin on skin beneath
I'll wrap you up in my domain
And then attack you
It's just a little gameWraps youHe wraps you
He wraps you
He wraps youYou are a bug
You are a bug inside me
You cut me wide
Cut me wide open you willYou are a bug
You are a bug inside me
You cut me wide
Cut me wide open you will see
