

Bombist

Royce Da 5'9"

[Chorus] Bomb First niggaz

You gotta hurt niggaz

Put in work niggaz

God made dirt niggaz

It don't hurt niggaz

Drama ain't certain niggaz

But death is

So you gotta go and get 'em!

Bomb first niggaz

You gotta hurt niggaz

Put in work niggaz

God made dirt niggaz

It don't hurt niggaz

Drama ain't certain niggaz

But Death is

So somebody gon' get it!

[Verse 1] Nigga get in ya car, if he pissin you off

Get him, I don't wanna picture you pausin, 'cause

With you from the peddle to the floor

From the shevel to the fo' fo' the devil only showed up for show

Turn this up, turn off your phone

And leave the "you wanna talk peace?" at home

Faces corps or face them in court

If you don't face 'em you gon' pay yo safety is short

I got a babe to work for the courts

I'ma license plate number away from the front of your porch

Or the side of your house, the product of a ride or die is about

I'm the opposite of a lot of mouth It's strange y'all repent

After saying my name I'm about to change it like Prince call me

The skit master, beef with the street trash

The leafs the trees, grass at ya pad, he's mastered

Squeeze faster, instead of beatin his ass

Just let 'em have it and you can be the last one standing

[Chorus] Bomb First niggaz

You gotta hurt niggaz

Put in work niggaz

God made dirt niggaz

It don't hurt niggaz

Drama ain't certain niggaz
But death is
So you gotta go and get 'em!
Bomb first niggaz
You gotta hurt niggaz
Put in work niggaz
God made dirt niggaz
It don't hurt niggaz
Drama ain't certain niggaz
But Death is
