Sophie

Benjamin Francis Leftwich

A little bit of heaven, a whole lot of hell
Don't know where this is going, but I know this feeling well
You leave without a warning, you take my wallet and my keys
Don't come back until the morning, I'm begging baby please

Sophie baby are you going crazy
Why d'you have to go so far
Sophie if you're trying to destroy me you don't have to work so hard

There must be an easier way to break my heart
Smoke is coming from the kitchen, and it doesn't smell like food
And all my clothes are missing, but there's no sign of you
And when I dial your number, I end up talking to that dude
You're always saying he's your brother, but I don't believe you

Sophie baby are you going crazy
Why'd you have to go so far
Sophie if you're trying to destroy me you don't have to work so hard

There must be an easier way to break my heart
Loving you is all I wanna, all I, all I really wanna do
So come on Sophie all I wanna, all I, all I really want is you

Sophie baby are you going crazy
Why d'you have to go so far
Sophie if you're trying to destroy me you don't have to work so hard
There must be an easier way to break my heart
