Hard To Handle

Otis Redding

Hey there, here I am
I'm the man on the scene
I can give you what you want
But you got to come home with me
I forgot some good old lovin'
And I got me some more in store
When I get to thrown it on you
You got to come back for more
Toys and things that come by the dozen
That ain't nothin' but drug store lovin'
Pretty little thing, let me light your candle
'Cause mama I'm sure hard to handle, now, gets around
Action speaks louder than words
And I'm a man of great experience
I know you got another man
But I can love you better than him
Take my hand, don't be afraid
I'm wanna prove every word I say
I'm advertisin' love for free

So, you can place your ad with me
Once it come along a dime by the dozen
That ain't nothin' but ten cent lovin'
Pretty little thing, let me light your candle
'Cause mama I'm sure hard to handle, now, gets around
Baby, here I am
The man on your scene
I can give you what you want
But you got to come home with me
I forgot some good old lovin'
And I got some more in store
When I get to thrown it on you
You got to come runnin' back for more
Once it come along a dime by the dozen
That ain't nothin' but drug store lovin'
Pretty little thing, let me light your candle
'Cause mama I'm sure hard to handle, now, gets around
