Rain

Kaedyn Kashmir

I am crumbled down
Fallen to my knees
If I fall and drown
Will you still catch me?
How you build me up
â€˜Til I come apart
Watch the rivers flood
With my broken heart

Will the thunder still keep coming if there is no storm?
When it passes will you still be here to keep me warm?

Let the rain fall down on me
Wash away the pain of seeing you leave
Let the rain fall down on me

Do you just want me
Waiting patiently
Whispers though the trees
Never finding peace
The wind struck me down
Iâ€™m still on my feet
You canâ€™t push me around
Youâ€™re not here with me

Will the sound of raindrops drown the silence I hear?
Because of you the clouds are no longer what I fear

Let the rain fall down on me
Wash away the pain of seeing you leave
Let the rain fall down on me

I watched the colors fade
That the rain had washed away
The storm still covers the light of day

Let the rain fall down on me
Wash away the pain of seeing you leave
Let the rain fall down on me
