Down Down Down

The Expendables

Sunshine in this lovely afternoon,
oh I can feel much better.
So i lay back with my eyes under my hat, my skin is dark as ever.
And nothing but sandal shorts and that my bike is my connection
to every port that will supply my empty ship
and harbor my intention.

Chorus

Tonight is on again,
I talked to all my friends.
Into the village we get down down down.
We peddle down the street,
reflectors on the seat.
Into the village we get down down down
down down down
down down down (Yeah!)
down down down
down down down

Night time in this neighborhood of mine you'll hear the backyards murmur.
Oh when the glow light of the bonfire sight warms souls and outstretched fingers.
So down the road I go, Spinning my spokes.
To all authority my high is unknown, Yeahhh

Tonight is on again.
I talked to all my friends.
Into the village we get down down down.
We peddle down the street,
reflectors on the seat.
Into the village we get down down down
down down down
down down down (Yeah!)
down down down
down down down

Oh i have fell into this place I call my own
I think I'll stay here
for a while
for a while

for a while
ohh yeaaaayeaa

Tonight is on again.
I talked to all my friends.
Into the village we get down down down.
We peddle down the street,
reflectors on the seat.
Into the village we get down down down
down down down
down down down (Yeah!)
down down down
down down down
