

I Have Found Me A Home

Jimmy Buffett

The days drift by, they don't have names
None of the streets here look the same
There're so many quiet places
And smilin' eyes match the smilin' faces
And I have found me a home
I have found me a home
You can have the rest of everything I own
'Cause I have found me a home
My old red bike, gets me around
On to the bars and the beaches of my town
There aren't many reasons I would leave
'Cause I have found me some peace
And the ladies aren't demandin' here
They'll never ask too much
When you're comin' off a cold love

That's sure a nice warm touch
Yes I have found me a home
I have found me a home
You can have the rest of everything I own
'Cause I have found me a home
And the days drift by, they don't have names
And none of the streets here look the same
And there aren't many reasons I would leave
'Cause I have found me some peace
Yes I have found me a home
I have found me a home
You can have the rest of everything I own
'Cause I have found me a home
Yes I have found me a home
