Paranormal States

Nocturnus

Energy of Another Plane
Interlaced with the Physical World
Weak Points in the Field
Open PortalsThrough these Doorways Spirits Enter
To Taste, The Life They Once Knew
Ectoplasmic Intercourse
Between the Mortal and the Dead
Life and Death Integrate
Paranormal StatesEnergy Exchanged Through Planes
Bridges the Gap Between
Ice Cold Kiss
Drains the Color From Her FaceThrough Her Doorway His Spirit Enters
To Taste the Life He Once Knew
Passing His Essence
To The Mortal From the Dead
Life and DEath Integrate
Paranormal States
