

2 Is Better (feat. Natalia Kills & Ya Boy)

Far East Movement

I like girls that like girls
So they have an open invitation to my world
If you know one, I am open to referrals
So go and tell a girl to tell a girl, to tell a girl
(Girl, girl, girl) I like girls that like me
So you and me and her can have a fun menage-a-three
Let's party in the club, in the whip or in the sheets
Doesn't matter how we party, long as I am in-between
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
Pink ring on, he's so pimpin', Louis V on, she's so temptin'
When I met her she was like he different, just try it girl stop trippin'
Turn the club to a bedroom, you and her, we got leg room
Did you hear what I said boo? I want you and your friend too
We can do all the above, y'all gonna make a nigga
fall in love
BFF's and it's all because, you both use me like a party drug
Now tell me how you want YB, grab her arm and just stay by me
I'll show you how to have some fun
The number 1 rule is 2's better than 1
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
I see you, you see me, I see her too let's be 3
Don't hate, you can all get some, 2 is better than 1
I know she's down, call her up, roll on thru let's get messed up
Don't hate, you can all get some, 2 is better than 1
2 is better than 1
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
There's something about her, there's something about you
There's something about us, that makes me just want to
So we can have fun, fun, fun, fun, fun
'Cause 2 is better than 1
