

# Marry Me

**Martina McBride**

Forever can never be long enough for me Feel like I've had long enough with you Forget the world now we  
won't let them see But there's one thing left to do  
Now that the weight has lifted Love has surely shifted my way  
Marry me, today and every day Marry me, if I ever get the nerve To say hello in this cafe Say you will, mm-  
hmm Say you will, mm-hmm  
Together can never be close enough for me Feel like I am close enough to you You wear white and I'll wear out  
The words I love you

And you're beautiful, now that the wait is over And love and has finally shown her my way  
Marry me, today and every day Marry me, if I ever get the nerve To say hello in this cafe Say you will, mm-  
hmm Say you will, mm-hmm  
Promise me you'll always be happy by my side I promise to sing to you when all the music dies  
And marry me, today and everyday Marry me, if I ever get the nerve To say hello in this cafe Say you will, mm-  
hmm Say you will, mm-hmm Marry me, mm-hmm
