

Heathrow

Catfish and The Bottlemen

Love her from the get-go
Pick her up from Heathrow
Whenever she needs me Watch her on the West End
Pepper up her best friends
Whenever she needs me She was a different league
When I was nothing much Meet her when the tour's up
Hug her like her Mother would
Whenever she needs me Snog her in the kitchen
Dance with her to Lemonworld
Whenever she needs me She was a different league
When I was nothing much
