

My Soul Won't Cry No More

Nina Attal

Calls out, out to the other side.
No matter what I do.
He holds me real tight.
Stand up, I'm talkin' to you.
Everywhere you go I'm there by you.
Let me into your head.
I dunno' what you're thinking about.
When I'm happy, you look at me strangely.
Do you understand life isn't easy? Can I ask you a question?
Do you really love me?
Do not drive me crazy!
You can't go by this door!
My soul won't cry no more!
That's why I lost belief in you!
I don't wanna' listen to you!
Anymore!

He went to, to a women's house.
All I wanna' say he won't do that twice.
Open your mind, I'm here above you.
Found a reason why I'm going to power through.
Watch your head.
Every damn thing, hurt by the past.
When you're boring and your tired.
My love for you is not really true. Can I ask you a question?
Do you really love me?
Do not drive me crazy!
You can't go by this door!
My soul won't cry no more!
That's why I lost belief in you!
I don't wanna' listen to you!
Anymore!

Can I ask you a question?
Do you really love me?
Do not drive me crazy!
You can't go by this door!
My soul won't cry no more!
That's why I lost belief in you!
I don't wanna' listen to you!
Anymore!
