

# Peaceful

## Okay

No matter what you say  
No matter what you know  
It's all goin' to stay  
And it's all goin' to go

No matter what you say  
No matter what you know  
It's all goin' to stay  
Or it's gonna go

It's gonna go bye, bye, bye, bye...  
...bye, bye, bye  
You got my attention  
Bye, bye, bye...  
...bye, bye, bye  
You need some more attention  
Bye, bye, bye...  
...bye, bye, bye  
You got my attention  
Bye, bye, bye...  
...bye, bye, bye  
You need some more attention  
You need some more attention  
You need some more attention

oh, oh, oh
