

Messages (feat. Simon Lord)

Dillon Francis

Can I read between the lines
Decipher all the signs
Hieroglyphics in your eyes
Hidden meanings deep inside
The way you move
The words you choose
You knock me down
I don't know for sure
But I've got to find out Messages that you're sending me
Messages, messages
Messages that you're sending me
Messages, messages You're starting fires in my mind
Invitations in disguise
Sending shivers down my spine
Making reality unwind
The way you move
The words you choose
You knock me down
I don't know for sure
But I've got to find out Messages that you're sending me
Messages, messages
Messages that you're sending me
Messages, messages
