

# Slide Along Side

## Shifty

one love one shot  
it's all we ever got  
girl you got me started  
now i'm not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life

this is it love  
it's what dreams are made of  
but it's still up to us to feel the rush  
to pursue all the things only gods can touch  
i wanna meet the odds with royal flush  
to fall  
i gave my all  
but it wasn't enough  
i'm never giving up i found life  
so i've gotta live it up  
and life is to short for war  
what can i say to show there's more  
with people slammin doors in my face and what for  
that aint the way to gain plays  
by making the same mistake day after day  
i gotta slide man get away the smile on my face  
it's a sunny day girls and drinks and more drinks  
come to think  
for such a big place it's a small world  
for such a rat race i still got faith  
anything goes still i got to say life has its ups and downs but i love it anyway

one love one shot  
it's all we ever got  
girl you got me started  
now i'm not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life  
oh girly girly come and dance with me  
move that naughty body come close to me  
now slide along side yeah baby thats right

i'm gonna show you the time of your life

hey pretty girl pretty girl it's on  
we gonna dance like boogie come on  
do it all night long  
let it go aint no holding back now  
gotta slide pretty baby thats right  
there's nothing i cant do with you by my side  
there's no place we could go where we wouldn't show'em up  
i gotta appetite for destruction  
livin life thats right  
she's daddy's little angel but she wasn't last night  
now these are the breaks yeah baby thats right  
now i got you yeah i got you baby  
i want your body and you drive me crazy  
it's hard to resist such a sexy lady  
come with me you'll have the time of your life  
you want to set the mood i guess the timing is right  
and it take two to make a thing go right  
so whats it gonna take to take you home tonight

one love one shot  
it's all we ever got  
girl you got me started  
now im not gonna stop  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life  
oh girly girly come and dance with me  
move that naughty body come close to me  
now slide along side yeah baby thats right  
i'm gonna show you the time of your life
