B2k Is Hot

B2k

So I'm sayin', man, what we gon' do, man?
We all sittin' up in here all bored and everything
I'm mean
Man
What's cracking for tonight, J-Boog?
I don't know but I tell you this
I ain't stayin' in this house another minute
For real man
Yo, I heard the skatin' rink was crackin, Boog
Skatin' rink, no
Skate
I ain't feeling that
Oh, Fizz, what happened to ole girl you was talkin' 'bout?
Oh, this her right here
She say it's a party tonight her crib
Fo' sho'
Oh Boy
So I'm sayin'
Call Rome to come scoop us up
No doubt
