

# Deny

## Oblong

Today I woke up and you were gone  
The whole day wondering what I did wrong  
It's like I'm falling from a, a mountaintop  
My heart keeps pounding and it won't stop Can you see this hell I'm living?  
I'm not giving up Will you crawl to me?  
Will you fall with me?  
I'll never crawl to you  
I've done it all for you Well, don't deny  
The hand that feeds you, needs you  
Oh God, I'd die to try to  
Finally please you There goes a piece of me  
Will I cease to be?  
I've never lied to you  
Fought, bled and died for you Well, don't deny  
The hand that takes you, breaks you  
Oh God, I'd die to try to  
Finally please you There she goes and I'm on the ground  
I'm on the ground, I'm on the ground  
There she goes and I'm on the ground  
I'm on the ground, I'm on the There she goes and I'm on the ground  
I'm on the ground, I'm on the  
There she goes and I'm on the ground  
I'm on the ground, I'm on the Well, don't deny  
The hand that feeds you needs you  
Oh God, I'd die to try to  
Finally please you Will you crawl to me?  
Will you fall with me?  
I'll never crawl to you  
I've done it all for you
