Dessert

Dawin

They can imitate you
But they can't duplicate you
Cause you got something special
That makes me wanna taste you
I want it all day long
I'm addicted like it's wrong
I want it all day long
I'm addicted like it's wrongThey can imitate you
But they can't duplicate you
Cause you got something special
That makes me wanna taste you
I want it all day long
I'm addicted like it's wrong
I want it all day long
I'm addicted like it's wrongWhatcha gon
Whatcha gon do with that dessert
...
Murder that, murder that
Dancefloor, dancefloor
...
Murder that
Murder that
Murder thatAre you saving that dessert for me?
Cause if you want baby
You know you could work for me
The way you do it causing jealousy
But you don't ever gotta worry about the enemy
They try to do it like you(like you)
And they get mad cause they don't do it successfully
They try to copy your moves(your moves)
But they don't never ever do it that tastefullyThey can imitate you
But they can't duplicate you
Cause you got something special
That makes me wanna taste you
I want it all day long
I'm addicted like it's wrong
I want it all day long
I'm addicted like it's wrongThey can imitate you
But they can't duplicate you

Cause you got something special
That makes me wanna taste you
I want it all day long
I'm addicted like it's wrong
I want it all day long
I'm addicted like it's wrongWhatcha gon
Whatcha gon do with that dessert
...
Murder that, murder that
Dancefloor dancefloor
...
Whatcha gon
Whatcha gon do with that dessert

The way you do it causing jealousy
But you don't ever gotta worry about the enemy(yeah)
They try to do it like you(like you)
And they get mad cause they don't do it successfully(yeah)
