

# Pop Pop Bang Bang

## Chantal Claret

Jack and Jill went up the hill  
to have little fun  
Jill got even cuz Jack was cheatin  
and Jill she had a gun.  
she said  
Trigger Trigger, 22  
my single actions set on you  
bullet bullet,  
whats the plan?  
it takes girl  
to kill a man  
I got 6 friends (say what?)  
and they all know your name  
and my 6 friends (whos that?)  
are waiting to take aim  
They go pop, pop, bang, bang,  
shouldve heard me when i said  
It goes click, click, boom, boom  
i shot you now your dead  
shouldve heard me when i said  
i shot you now youre dead  
Now Jack and Jill stayed on the hill  
and Jack he begged & cried  
Jill just laughed stared down the shaft  
couldnt fix it if he tried  
my double barrel 45  
bang your dead  
i come alive.  
i shot you once,  
ill shoot you twice  
ill make you dance  
youre on thin ice  
Now Ive got 4 friends (just 4)  
and they know that youre a liar  
Ive got 4 friends (hell yeah)  
and theyre ready to be fired  
chorus repeat
