

He Loves Me (Discokid Club Mix)

[Jill Scott](#)

You love me especially different every time
You keep me on my feet happily excited
By your cologne, your hands, your smile, your intelligence
You woo me, you court me, you tease me, you please me
You school me, give me some things to think about
Ignite me, you invite me, you co-write me, you love me, you like me
You incite me to chorus, ooh
Oh You love me especially different every time
You keep me on my feet happily excited
By your cologne, your hands, your smile, your intelligence
You woo me, you court me, you tease me, you please me
You school me, give me things to think about
Invite me, you ignite me, co-write me, you love me, you like me
Incite me to chorus
La, la, la
Da, da, da
Do, do, do You're different and special
You're different and special in every way imaginable
You love me from my hair follicles to my toenails
You got me feeling like the breeze, easy and free and lovely and new
Oh when you touch me I just can't control it
When you touch me, I just can't hold it
The emotion inside of me, I can feel it
