Vanguardian

Steed Lord

Undercover
Unbreakable under the pressure
Undeniable
Undress me with those eyes
In a see of heartache
Looking for a way to tell ya
That it's over and over and over againWe push forward every night, every day
All the time, every time, the vanguardian
Bet that you're wrong, every night, every day
All the time, every time, the vanguardian
V-A-N, Vanguardian
Incapable
Infatuation by your devotion
Incredible
The response to the infection
I really want somebody
But I'm looking for a way to tell ya
That it's over and over and over again
We push forward every night, every day
All the time, every time, the vanguardian
Bet that you're wrong, every night, every day
All the time, every time, the vanguardian
V-A-N, Vanguardian
