

# Hole in My Heart

Gavin James

I've got a hole in my heart  
Where your love used to be  
I've got no air in my lungs  
Where I used to breathe  
I've got a hole in my heart  
Where your love used to be  
And I don't wanna close my eyes  
And fall asleep Cause every time I do  
I'm only dreamin' of you  
oh, I don't wanna live my life half awake  
Wishing for the words to say If I asked you to stay  
Just for a little while  
Just for a little while longer  
Would you push me away  
Or would you stay awhile  
Would you stay awhile with me  
And fix the hole in my heart  
Where your love used to be Oh, oh, oh  
Oh, oh, oh You are the thorn on the rose  
That I used to hold  
You're the light on the match  
When I'm getting cold  
And there's no easy way to live with you  
Taking all I have to give  
I'll pick you up each time you fall  
When we've had too much alcohol Oh, oh, oh  
If I ask you to stay  
Just for a little while  
Just for a little while longer  
Would you push me away  
Or would you stay awhile  
Stay awhile with me  
And fix the hole in my heart  
Where your love used to be The words are falling outta mouth again  
Don't listen to a thing  
It's funny how funny three words  
They don't mean a thing  
When you're not here with me If I asked you to stay  
If I asked you to stay

Won't you please fix the hole in my heart  
Where your love used to be
