ISUA

Plague Vendor

Give me life
Give me death
Give me something that I'll soon want to forget
Give me a lot to a little more I can't get enough
Everyone's out but I stay up anywayTwo shakes, three shakes, four shakes to the wind
No talks of time I just turn the clock up back and againIntroduce the night to the dawn and the dawn to the day
no rest cause I stay up anywayBecause I stay up anyway
And I stay up anyway
I count my breath
I count my steps
I'm wasted white floating right into nothingness
Look around just to see what's left
Half dranken bottles and torched last cigarettesBecause I stay up anyway
And I stay up anyway
Give me life
Give me death
Give me something that I'll soon want to forget
Forget me not, forget me here
I'm up in death in the last day of the yearCause I stay up anyway
And I stay up anyway
