

Braver

Sophia Avocado

You are braver than youâ€™ll ever know
The tears and the heartache that you never show
Itâ€™s not fair this hand youâ€™ve been dealt
The grace you show just makes my heart melt

[Chorus]

Your strength is a fire
Youâ€™ve got me inspired
Your strength is a fire

You are cooler than Colorado snow
And wiser too than anyone I know
You are my sunshine on the grayest day
Always there and saying â€œitâ€™s okâ€•

[Chorus]

Your strength is a fire
Youâ€™ve got me inspired
Your strength is a fire

[Bridge]

Warriors like you make people like me
Feel like thereâ€™s reason to believe
Warriors like you make people like me
Feel like thereâ€™s reason to believe

[Chorus]

Your strength is a fire
Youâ€™ve got me inspired
Your strength is a fire

Youâ€™ve got me inspired
