

# Define This

## Stereomud

You have a fear of living not me  
I will not take anything for granted  
Not even the breath I breathe  
Makes me feel alive still I can't describe  
What is happening, determined to run but  
I'm crawling  
I'm crawling down  
You cannot define this  
There is nothing else like it  
The addictions here make no mistake  
I will not take anything for granted  
With every step I take, makes me feel alive  
Still I feel the further I go I'm determined to run but  
I'm crawling  
I'm crawling down  
You cannot define this  
There is nothing else like it, no no  
You cannot define this  
There is nothing else like it  
It's how you react  
No it's not what you say  
You're running from nothing  
You're running away  
You cannot define this  
There is nothing else like it, no no  
You cannot define this  
There is nothing else like it  
Cannot define this
