Fancy Pants

Mr Miyagi

This is beat is so funny
We made it with their money
Ha-ha-ha-ha-ha-ha!
(Fancy, fancy, you're so fancy)
Yeah, you're so fancy
See that girl, watch her go
Red high heels and pretty toes
Silly puddy, jungle moves
Lady's got a killer groove
And you've got a lot to lose
All the famous boys and girls
Stand around and pose
Everybody knows in the boom-boom room
We all take off our clothes
Fancy clothes
Take off your fancy clothes
Oh baby, don't be shy
Fashion's got a lazy eye
Everybody let's take off
Our fancy pants tonight
(Fancy, fancy, you're so fancy)
(Fancy, fancy, you're so fancy)
Grab those tight
And lacy bottoms
Don't leave home without 'em
Let's take off our fancy pants tonight
(Fancy, fancy, you're so fancy)
(Fancy, fancy, you're so fancy)
This is beat is so funny
We made it with their money
Ha-ha-ha-ha-ha-ha!

See that boy, watch him go
Blue jeans with an ass like whoa
Silly sonny, sounding rude
Monkey's got a killer groove
A girl's got a lot to lose
All the famous boys and girls
Putting up their nose

Everybody knows in the boom-boom room
We all take off our clothes
Fancy clothes
Take off your fancy clothes
Yeah baby, don't be shy
Fashion's got a lazy eye
Everybody let's take off
Our fancy pants tonight
(Fancy, fancy, you're so fancy)
(Fancy, fancy, you're so fancy)
See those tight and lacy bottoms
Don't leave home without 'em
Let's take off our fancy pants tonight
(Fancy, fancy, you're so fancy)
(Fancy, fancy, you're so fancy)
This is beat is so funny
We made it with their money
Ha-ha-ha-ha-ha-ha!
This is beat is so funny
We made it with their money
Ha-ha-ha-ha-ha-ha!
(Fancy, fancy, you're so fancy)
(Fancy, fancy, you're so fancy)
