

# Stand My Ground (Acoustic)

## Within Temptation

I can see  
When you stay low, nothing happens  
Does it feel right?

Late at night  
Things I thought, I put behind me  
Haunt my mind

I just know there's no escape now  
Once it sets its eyes on you  
But I won't run, have to stare it in the eye

Stand my ground, I won't give in  
No more denying, I got to face it  
Won't close my eyes and hide the truth inside  
If I don't make it, someone else will stand my ground

It's all around  
Getting stronger, coming closer  
Into my world  
(My world)

I can feel  
That it's time for me to face it  
Can I take it?

Though this might just be the ending  
Of the life I held so dear  
But I won't run, there's no turning back from here

Stand my ground, I won't give in  
No more denying, I got to face it  
Won't close my eyes and hide the truth inside  
If I don't make it, someone else will stand my ground

All I know for sure is I'm trying  
I will always stand my ground

Stand my ground, I won't give in  
(I won't give in)

I won't give up  
(I won't give up)  
No more denying, I got to face it  
Won't close my eyes and hide the truth inside  
If I don't make it, someone else will

Stand my ground, I won't give in  
No more denying, I got to face it  
Won't close my eyes and hide the truth inside  
If I don't make it, someone else will stand my ground
