

# Wire To Wire

## Razorlight

What is love but the strangest of feelings?  
A sin you swallow for the rest of your life?  
You've been looking for someone to believe in  
To love you until your eyes run dryShe lives by disillusion glow  
We go where the wild blood flows  
On our bodies we share the same scar  
Love me, wherever you areHow do you love with a fate full of rust?  
How do you turn what the savage tame?  
You've been looking for someone you can trust  
To love you, again and againHow do you love in a house without feelings?  
How do you turn what the savage tame?  
I've been looking for someone to believe in  
Love me, again and againShe lives by disillusion's glow  
We go where the wild blood flows  
On our bodies we share the same scarHow do you love on a night without feelings?  
She says, love, I hear sound, I see fury  
She says, love's not a hostile condition  
Love me, wherever you areLove me, wherever you are  
Love me, wherever you are  
Wherever you are
