Modern Woman

Tennis

Kate, I'm so afraid you'll hate me
I think I might have made it true
There's no need to implicate me
You would never want the proof
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
I know, that's the way you appreciate me
Even though we haven't spoken lately, oh
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
Kate, I know a modern woman
By the look and by the feel
We both got imposing figures
Getting good at striking right deals
All I want is comfort in a touch or a look
All I want is to forget the way you mistook
No, I'm not asking for forgiveness
I'm just getting tired of living with this
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real
I think I might have made it so real
I think I might have made it real

I think I might have made it so real
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
All I want is comfort in a touch or a look
All I want is to get back the closeness you took
