Uriah Heep

Grinning demons smiling sideways
Laughing in my face
Here within my troubled sleep
There's such a lonely placeRunning fast but never moving
I can't get away
Strange but realistic objects
Making me their preyThen it's gone as fast as it came
Evil dream
Changing like the sun turns to rain
It would seemDining with the gods of beauty
On a distant shore
Tasting fruits of untold sweetness
Never seen beforeDancing stars with crystal voices
Beckon with their eyes
Unicorn of many colors
Rides to paradiseThen it's gone as fast as it came
Peaceful scene
Changing like the sun turns to rain
It would seemSleepless nights that last a lifetime
Crucify my head
Dreams of peace and then disaster
Wish that I were deadLooking for the end of darkness
Seeking out the day
For escape with sweeter thought of
Bearing me awayThen it's gone as fast as it came
Evil dream
Changing like the sun turns to rain
It would seemCome into my dream
