Transcribed By: Christian Penaglia / xLast1Alivex(at)gmail(dot)com I know things will get better when I stop
looking out through a broken window...

I know things will get better when I just break down that door..

I can fall down, get pushed around, plant myself into the ground but..

I know things will get better cause it just can't get any worse than this...TRAPPED ANOTHER ONE!

I'm bad fish, served on a cold dish, never gonna get it right cause I'm high and I'm foolish..

I never fit in, no matter where I'm sittin'.. if the story's got a hero, then I guess that I'm the villain..So (Woah-
oh, woah-oh-oh..) what you got, what you got?.. I'll keep my head low!

So (Woah-oh, woah-oh-oh..) what you got, what you got?.. Can't let it go! I know things will get better when I
stop looking out through a broken window...

(Ooh-woah-oh-oh..)

I know things will get better when I just break down that door.. (HEY!)

Fall down, get pushed around, plant myself into the ground but..

I know things will get better cause it just can't get any worse than this...Just can't get any worse than this... No it
just can't get any worse than this...I spread a mean lie, my hope is low fly, riding on a curse the worse my tank
is bone dry.

I'm fortune tellin', you're not buying what I'm sellin', if that look is a cry.. then call me a villain..So (Woah-oh,
woah-oh-oh..) what you got, what you got?.. I'll keep my head low!

So (Woah-oh, woah-oh-oh..) what you got, what you got?.. Can't let it go! I know things will get better when I
stop looking out through a broken window...

(Ooh-woah-oh-oh..)

I know things will get better when I just break down that door.. (HEY!)

Fall down, get pushed around, plant myself into the ground but..

I know things will get better cause it just can't get any worse than this...So pathetic, just forget it now (Woah-oh-
oh!).. never make it sit and pass it round (Woah-oh-oh!)..

Disappointment apathy, I'll take a double shot of misery (HEY!).. you can't fake it so far, hold it down.. (Woah-
oh-oh!)..

Yeah ignorance is bliss, but it can't get worse than this...(GUITAR SOLO) I know things will get better when I
stop looking out through a broken window...

I know things will get better when I just break down that door..

I can fall down, get pushed around, plant myself into the ground but..

I know things will get better cause it just can't get any worse...I know things will get better when I stop looking
out through a broken window.. (Ooh-woah-oh-oh!)..

I know things will get better when I just break down that door.. (HEY!)

I can fall down, get pushed around, plant myself into the ground but..

I know things will get better cause it just can't get any worse than this...I know things will get better.. just can't

get any worse than this...
I know things will get better.. no it just can't get any worse than this...
