

# It Ain't Fair

Aretha Franklin

People  
All around me  
But I don't even  
Have a friend  
Lord knows  
I been trying  
And he knows  
I just can't win  
Everything I do  
Yeah  
Seems to turn  
Out wrong  
Sometimes  
I wish now  
That I never  
Been born  
Whoa  
Nobody  
Nobody cares  
Nobody cares  
Baby  
You know  
I've had my share  
Just ain't fair  
(Just ain't fair)  
Just ain't fair  
(Just ain't fair)Some folks  
Got it easy  
They live  
The life of love  
And play  
Lord knows  
I got  
To struggle now  
Trying  
To make my way  
Yeah  
I'm walking all day  
I'm gonna

Reach the town  
I believe  
I hope  
I can make it yeah  
Beacuse my feet  
Ain't gonna  
Let me stop  
Talking about  
JesusNobody  
Nobody cares  
Nobody cares  
Baby  
I've had my share  
Just ain't fair  
Just ain't fair  
It just ain't fair  
It just ain't fair  
It just ain't fair  
I've had my share
