

Love Alight

Crystal Fighters

I don't want the way
all the flame will never die No it won't go out cause we're standing by
If the fire start burning we'll send it back alight
And it will shine forever as long as we're alive As it is

As it times

It exists

Living it

Here it is

As it is

As it times

It exists

Living it

Here it is

As it is Girl you set love alight
You set my world on fire You set love alight
You set my soul on fire You set love alight
You set my world on fire Yeah
I'm seeing all the truth
I see it going in your eyes
If (...) be alone
Yeah

We can make it right

Have a heart on fire

secret joy all through the night

I feel love everytime cause music makes me feel alive As it is

As it times

It exists

Living it

Here it is

As it is

As it times

It exists

Living it

Here it is

As it is Girl you set love alight
You set my world on fire You set love alight
You set my soul on fire You set love alight
You set my world on fire Girl you set love alight
You set my world on fire You set love alight

You set my soul on fire
You set love alight
You set my world on fire
