

Big Time

Vince Staples

What you thought it was nigga I'm the man round here

Hands down man down by my grandma crib

On the east

Riding round don't be slipping

Don't Blood me cause whole Long Beach Crippling

No cease

Firing I'm fired up tripping

In A NY fleece wasn't playing no Biggie

WCand Trey D keep shit crippy

No boot camp clicking we was food stamp flipping

Tryna eat

1st of the month re'd up 15th

Quarter punch ice cream trucks police

Stay tryna lock niggas up

Foes wacking out the set then we shot niggas up

No peace

No love not not clicking up

Swapmeet whites and a Glock in the trunk

OG's tryna tell a nigga bout the game

But it don't add up cause the Crippin' not the same on me Yeah, it don't add up cause the Crippin' not the same

Yeah, it don't add up cause the Crippin' not the same

Yeah, it don't add up cause the Crippin' not the same

Yeah, it don't add up cause the Crippin' not the same

Yeah, time to show the bitches who the man

Pimp hand strong, pimp hand strong

Yeah, time to show the bitches who the man

Pimp hand strong, pimp hand strong

Yeah, time to show the bitches who the man

Pimp hand strong Well I was born by the river not baptized in it

Loose lips sink ships who capsize quicker

Not we

Stay low-key no snitching

Since soul glo dripping and the sherm stick dipping

Tread light

Snakes gone bite on sight

Niggas battle with the judge like the gavel got a grudge

Face life

Still fight never been a punk

Chase dough hoe never get enough lemme tell you bout the flocks

Looking for the tents mama gotta pay the rent
Kicking in the back door tell me where it is
Come up out the safe or its coming out the clip
And I don't hesitate washing money like the sins
Attention getters hit detention centers
Before I break the bank, boy ill break and enter
Both ears to the streets listen in a drought
Cause when money coming niggas get to showing out
When money comin' in, niggas get to showin' out
When money comin' in, niggas get to showin' out
When money comin' in, niggas get to showin' out
Yeah, time to show the bitches who the man
Pimp hand strong, pimp hand strong
Yeah, time to show the bitches who the man
Pimp hand strong, pimp hand strong
Yeah, time to show the bitches who the man
Pimp hand strong
