

# Everything Changes

## Take That

We've said goodbye, the taxi cab is waiting  
Now don't you cry, just one more kiss  
Before I have to go  
Hey girl I know the situation changed  
And so much is new but something in my life  
Remains the same 'cause(Everything changes but you)  
We're a thousand miles apart  
But you know I love you  
(Everything changes but you)  
You know every single day  
I'll be thinking about youThe rumors true, you know that there've been others  
What can I do, I tell you baby they don't mean a thing  
Now girl don't go and throw our love away (throw our love away)  
I'll be home soon back in your arms to hear you say that(Everything changes but you)  
We're a thousand miles apart  
But you know I love you  
(Everything changes but you)  
You know every single day  
I'll be thinking about you(Everything changes but you)  
We're a thousand miles apart  
But I still love you  
(Everything changes but you)  
I'll spend every single day  
Thinking about youThough everything changes around us  
(Baby don't you cry)  
We will be the same as before forever more(Everything changes but you)  
We're a thousand miles apart  
But you know I love you  
(Everything changes but you)  
You know every single day  
I'll be thinking about you(Everything changes but you)  
I'll be thinking about you  
Thinking about you  
(Everything changes but you)  
'Cause you know I love you  
Know that I love you(Everything changes but you)  
I'll be thinking about you  
Thinking about you  
(Everything changes but you)

I love you  
I love you
