

Refractions In the Plastic Pulse

Stereolab

Ce qui est n'est pas clos, du point de vue le
Plus essentiel,
Ce qui est ouvert, est Ãf ÃfÂtre
Dans une action sans fin,
Sans trophÃf(c)e et sans gloire-
Une crÃf(c)ation sans fond,
Sans profit ni victoireRefractions in the plastic pulseWhat is isn't closed, in the point of view the
Most essential,
What is open, is to be
In a non-ending action,
Without trophy and without glory-
A creation without bottom,
Without profit nor victory
