

Rain (AjaPs Remix)

[Razah](#)

Raindrops keep fallin' on my head
But thank God cause' it's just
Hidin' the tears from my face
Since you've been gone
I'm so out of place
And I need you here babe Lord, give me a sign
Show me the light
Cause this love I have to fight
She's on my mind
All the time
To stay afloat I'll try Let the rain fall down
Take me away
Cause I don't wanna be without you
Girl I can't sleep
Without you here
So let the rain take me away My emotions girl
Are running wild
I feel like a little child
I need your smile
To brighten up my life
I need to look deep in your eyes I wanna know if this is real
Cause this can't be happening to me
Pinch me please
Tell me it's a dream
Cause I don't wanna feel like this Let the rain fall down
Take me away
Cause' I don't wanna be without you
Girl I can't sleep
Without you here
So let the rain take me away You took my heart from me
You mean the world to me Let the rain fall down
Take me away
Cause I don't wanna be without you
Girl I can't sleep
Without you here
So let the rain take me away
