

# Dance With Me (Barnyard Remix)

## Jump5

C'mon, c'mon, c'mon  
C'mon and dance with me  
C'mon, c'mon, c'mon  
C'mon and dance with me, hey, hey, heyC'mon, c'mon, c'mon, hey, hey  
C'mon and dance with me, hey, hey, heyI tell you something you gotta know it's true  
From the first moment I laid eyes on you  
Saw something special, saw something I need  
Something so perfect it's hard to believeSome things in life you know you just can't explain  
The rest you just don't need to knowC'mon and dance with me, dance with me tonight  
We're gonna bring the house down until the daylight  
So give me a reason, give me a sign  
Let's get this party started c'mon and dance with me tonightC'mon c'mon c'mon, yeah, yeah  
C'mon and dance with me, hey hey heyWith just a smile you can make my knees weak  
Forget my name and the day of the week  
You make me crazy, the things you can do  
My head is spinning with thoughts of youNow here he comes he's walking over to me  
Is it real or is it fantasy?C'mon and dance with me, dance with me tonight  
We're gonna bring the house down until the daylight  
So give me a reason, give me a sign  
Let's get this party started c'mon and dance with me tonightDance with me, c'mon and dance  
Dance with me, c'mon  
Dance with me, c'mon and dance  
Dance with meC'mon and dance with me, dance with me tonight  
We're gonna bring the house down until the daylight  
So give me a reason, give me a sign  
Let's get this party started c'mon and dance with me tonightC'mon and dance with me, dance with me tonight  
We're gonna bring the house down until the daylight  
So give me a reason, give me a sign  
Let's get this party started c'mon and dance with me tonightC'mon and dance with me, dance with me tonight  
We're gonna bring the house down until the daylight  
So give me a reason, give me a sign
