Breathe

Skypark

Your time is running out, friend
There's people screaming and shouting
It's pulling you and it's gonna stingYou underestimate the riptide
All hell broke, loose on your blindside
It's pulling you and it's gonna stingBreathe, breathe in
Breathe, breathe in againIt's only you against the ocean
You rode your wave of emotion
You got to where you you could not swimCan't find the strength to keep you head up
You know that death ain't gonna let up
That summer sun is growing dimBreathe, breathe in
Breathe, breathe in again
You better breathe, breathe in
Breathe, breathe in againYou underestimate the riptide
All hell broke, loose on your blindside
It's pulling you and it's gonna stingBreathe, breathe in
Breathe, breathe in again
You better breathe, breathe in
Breathe, breathe in againBreathe, breathe in
Oh, breathe, breathe in again
You better breathe, breathe in
Breathe, breathe in again
