

# Devil's Answer ()

## Atomic Rooster

People are looking but they don't know what to do  
It's the time of the season for the people like you  
Come back tomorrow, show the scars on your face  
It's a clue to the answer we all chase  
Three, five and seven lift the heaviest load  
reach the top of the heaven that's fallen below  
Devil may care but you wish for the best  
Can't you see there's an answer that lies there  
Come all you sinners and keep with the time  
can we see all the faces that have fallen behind  
Don't make the reason it's a secret for you  
There's a clue to the answer we all know  
There's no clue to the answer we all know  
People are looking but they don't know what to do  
It's the time of the season for the people like you  
Come back tomorrow, show the scars on your face
