Special

Pink Cream 69

(Verse)
So where I am inside my space
It's not a soul around, no embrace.
I look along behind the screen,
Nobody's waiting for me.(Pre-Chorus)
And it would be my fantasy
If I can show my energy.
So there's a new world here for me.(Chorus)
And I feel so special, God, I feel so special
Who is there and who is proud,
Leave the writing on the wall
Because they're special,
God, I feel so special,
Do I like it? I don't know,
I don't love this salty joke.
(Verse)
I chose to die when I seem to lie,
Turning it on again, feel so right.
No, I don't need no privacy,
Who could despy on me.(Pre-Chorus)
It's just so much that one can show
With just a picture from long ago
Don't wanna be just some django.(Chorus)
And I feel so special, God, I feel so special
Looking where I am today,
Got my demon on despay.
And I'm so special,
God, I feel so special,
Take a look at my new fault
And the bads went all and one, because I'm special.
And imma stay so until I'm sentenced to die.
(Chorus)
And I feel so special, God, I feel so special,
There is so much on my mind,
With a meaning undefined.
And I feel so special, God, I feel so special,
Here's a picture of my friend,
He is sick, got me again, pick up so special.
