

# Free Free Free (feat. Theron Theron)

Pitbull

Now let me take you from Miami, the pineapple  
To New York, the big apple  
Now let's escape, darling Party jumpin', until the morning  
Feeling free, free, free  
Hands keep waving, we misbehaving  
Feeling free, free, free 'Cause ain't nobody ready to go home  
We gon' keep it going all night long  
Yeah, party raising, so hard time crazy  
Feeling free, free, free  
Guess who's back? Fresh off the boat  
Smelling like Bahamas, for sure  
I still got the ship escape  
Still the Godfather  
Still el Padrino, you know  
After dog, and kiss a little loose  
A lotta 'bout 3-0-5, no goose  
A straight walk a straight line, no juice  
Catch me on top of that ya, no roof  
Travel around the world like it's a new sport  
Move and escape to New York  
Ahora ven aqui mami, dame un beso  
Tu sabe que te gusta, deja eso Tonight, tonight  
We gon' have us a real good time  
Baby girl, how you so fine?  
Tonight you gon' be mine (be mine)  
Tonight, tonight  
We gon' have us a real good time (good time)  
Baby girl, how you so fine? (so fine)  
Tonight you gon' be mine (that's right) Party jumpin', until the morning  
Feeling free, free, free  
Hands keep waving, we misbehaving  
Feeling free, free, free 'Cause ain't nobody ready to go home  
We gon' keep it going all night long  
Yeah, party raising, so hard time crazy  
Feeling free, free, free Wooo Guess who's back? Yours truly  
Mr. Independent, welcome to the new me  
Nothing like freedom I'd love to be free  
A world takeover, times three  
Hardest working man in the game, that's me

He's done, he's over, he's finished, let's see (yeah right)  
You clearly don't know me  
Mami wanna have some fun, mami show me  
Mami wanna party, I poured her some Voli  
She said I remember you at bay, Sa seda Ayomi  
I said baby that's the old me  
Ahora ven aqui mami, dame un beso  
Tu sabe que te gusta, deja eso Tonight, tonight  
We gon' have us a real good time  
Baby girl, how you so fine?  
Tonight you gon' be mine (be mine) Tonight, tonight  
We gon' have us a real good time (good time)  
Baby girl, how you so fine? (so fine)  
Tonight you gon' be mine  
(That's right) Party jumpin', until the morning  
Feeling free, free, free  
Hands keep waving, we misbehaving  
Feeling free, free, free 'Cause ain't nobody ready to go home  
We gon' keep it going all night long  
Yeah, party raising, so hard time crazy  
Feeling free, free, free Go like kambo, take me down low down low  
Party tempo, to the congo  
We've been drinkin', making right decisions  
There's no limit, everybody's singing Party jumpin', until the morning  
Feeling free, free, free  
Hands keep waving, we misbehaving  
Feeling free, free, free 'Cause ain't nobody ready to go home  
We gon' keep it going all night long  
Yeah, party raising, so hard time crazy  
Feeling free, free, free
