

Don't Be Cruel

Elvis Presley

You know I can be found
Sitting home all alone
If you can't come around
At least please telephone
Don't be cruel to who a heart that's true
Baby, if I made you mad
For something I might have said
Please, let's forget the past
The future looks bright ahead
Don't be cruel to who a heart that's true
I don't want no other love
Baby it's just you I'm thinking of
Don't stop thinking of me
Don't make me feel this way
Come on over here and love me
You know what I want you to say
Don't be cruel to who a heart that's true
Why should we be apart?
I really love you baby, cross my heart
Let's walk up to the preacher
And let us say I do
Then you'll know you'll have me
And I'll know that I'll have you,
Don't be cruel to who a heart that's true
I don't want no other love,
Baby it's just you I'm thinking of
Don't be cruel to who a heart that's true
Don't be cruel to who a heart that's true
I don't want no other love
Baby it's just you I'm thinking of
