Cant Stop

Virtual Attack

You're the geni in my red cup,
Blue berry in my grape blunt,
You're the sweat in my wet towel,
You're my pillow when i lays down.
You are my geni and my alize,
You are my drunk back in the day,
you still are in a major way, thats why i never seem to get away(chours)
I can't stop drinking, i can't stop smoking,
so i go LA LA LA LA LA LA
LA LA LA LA LA LA.
I can't stop drinking i can't stop smoking,
so i go LA LA LA LA LA LA
LA LA LA LA LA LAI knew this girl named choclita,
My boy Angelo said she make me high,
I left from the land, off in the sky,
Five feet from the ground, so i think ill take a try.
Now she got me all red eye,
Keep me stressed out but she know i always gettting by.
Keep a couple dimes so she know im always getting by,
Keep her lips shut with that LA LA LA LA LA LA.You're the geni in my red cup,
Blue berry in my grape blunt,
You're the sweat in my wet towel,
You're my pillow when i lays down.
You are my geni and my alize,
You are my drunk back in the day,
you still are in a major way, thats why i never seem to get away(chours)
I can't stop drinking, i can't stop smoking,
so i go LA LA LA LA LA LA
LA LA LA LA LA LA.
I can't stop drinking i can't stop smoking,
so i go LA LA LA LA LA LA
LA LA LA LA LA LAI know a girl named genisis,
she's so good to me,
her kisses always taste so sweet.
So i had to lace her with rocks,
I should have known then that it wasn't going to stop.
Sometimes she keeps it straight for me,
Double in her cup though, the way she mix it up for me.
with some regolu or XO,

i never know my limit i cant let go.You're the geni in my red cup,
Blue berry in my grape blunt,
You're the sweat in my wet towel,
You're my pillow when i lays down.
You are my geni and my alize,
You are my drunk back in the day,
you still are in a major way, thats why i never seem to get away(chours)
I can't stop drinking, i can't stop smoking,
so i go LA LA LA LA LA LA
LA LA LA LA LA LA.
I can't stop drinking i can't stop smoking,
so i go LA LA LA LA LA LA
