

Out of Time Man

Mano Negra

I'm walkin' out for love
I'm walkin' bad, really down like a cool breeze
I'm gonna be late again driver wait for me please
I'm drivin' all in vain tryin' to catch this fuckin' train
Time don't fool me no more
I throw my watch to the floor was so lazy
Time don't do it again, now I'm stressed and strained
With my anger and pain in the subway train
Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me
Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy I think it's nine
When clock says ten
This girl wouldn't wait
For the out of time, out of time man
Time don't fool me no more
I throw my watch to the floor was so lazy
Time don't do it again, now I'm stressed and strained
With my anger and pain in the subway train
Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me
Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy I think it's nine
When clock says ten
This girl wouldn't wait
For the out of time, out of time man
Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me
Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy
Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me
Now it's half past four
Baby can't you see
No use in waiting no more

It's a timing tragedy Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy Now it's half past two
Long gone the rendezvous
Now it's half past three
Time made a fool out of me Now it's half past four
Baby can't you see
No use in waiting no more
It's a timing tragedy Now it's half past two
Now it's half past three Now it's half past four
No use in waiting no more
It's a timing tragedy Now it's half past two
Now it's half past three
