

# Oblivion

## Thirty Seconds to Mars

The enemy arrives  
Escape into the night  
Everybody run now, everybody run now  
Break into another time This enemy of mine  
Divinity defines  
Everybody run now, everybody run now  
Everybody run now, everybody run Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come Come with us to the right  
Join in the fight  
Everybody run now, everybody run now  
Break into another time The enemy divides  
Division will unite  
Everybody run now, everybody run now  
Everybody run now, everybody run Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come Under the burning sun  
I take a look around  
Imagine if this all came down America, it's all so beautiful  
Until it goes away Under the burning sun  
I take a look around  
Imagine if this all came down Under the burning sun  
I take a look around  
Imagine if this all came down Under the burning sun  
I take a look around  
Imagine if this all came down
